JOIN OUR TEAM OF HEROES IN KIDTROPOLIS AT LAKE FOREST CHURCH-HUNTERSVILLE!

When children come to Lake Forest Church, our priority is to provide them with dedicated and nurturing leaders who will help them develop a close relationship with God and with friends. We call these adult and students volunteers our HEROES because we believe that choosing to share your heart, gifts and time with children takes strength, courage, loyalty and determination. Beyond these noble qualities, serving in Children's Ministry is also about opening your heart, having a friendly smile and sharing fun and laughter.

If you are ready to explore serving as a HERO, please take a look at the list of opportunities on the back of this card and check the box beside each role you are interested in pursuing. Also, please fill out the contact fields and then return this card in the jeans pocket (offering), to the Info Center or to someone in Children's Ministry. We'll be in touch with you soon to take next steps in your HERO training!

Note: In order to provide consistent relationships with children, we encourage school-year commitments (end of August-May). However, we will find ways to fit you in given your availability (i.e. serving every other week).
