

WHAT IS A SHARE TEAM?

A Share Team is a group of people willing to share their time, energy, and gifts with others for the benefit of the whole church. Share Teams are the practical outworking of the Ministry Partner concept at Lake Forest Church.

How can I serve?

Below you will find a listing of the different Share Teams and a brief description of what each one does. If you find one that strikes a chord with you we can easily provide you with more detailed information on specific roles.

Transformation Team

These teams transform Davidson Elementary School into a place of worship, and then back into a school again, every Sunday. It's not rocket science, it's more important than that. It's not backbreaking; it's easier than you might think as long as there are many hands. Team members are usually asked to be willing to serve twice a month during the school year.

Set-Up Team

Arriving at 7am team members unpack our gear, set up the truss, chairs, the Info table and Kidtropolis areas. It takes about an hour each time you serve.

Team Leaders: Ryan Miller & Fred Dwiggin

Please contact Ryan at ryanmiller@tiaa.org with questions.

Pack-Up Team

Starting right after the second service we pack up all our belongings and place them in on-site storage areas. The goal is to make DES look better than when we arrived. Plan on about an hour each time you serve.

Team Leaders: Ben Garlock & Sallie Reynolds

Please contact Ben at packuplfc@gmail.com with questions.

Worship Arts

The worship arts teams creatively use imagery, sound, voice, texture, lyric, design, word, instrument, technology and song to facilitate a 'position of worship' within the heart of our church. And that list is by no means exhaustive! Whatever your creative and/or technical medium may be, we'd love to help you find just the right place to use it in creating winsome and engaging spaces for all who come!

Team Leader Music: Matt Glass, mglass@lakeforest.org

[OVER]

Kidtropolis – Children’s Ministry

Here is your chance to be in a rotation of heroes who serve children (infants to 5th grade) each week. Our priority is to provide dedicated, well trained and nurturing leaders who will help them develop a close relationship with God and with friends. Per our policy everyone who works with our children must pass a background check.

Team Leader: Emma Mount, emount@lakeforest.org

re:mix – Youth Ministry

re:mix leaders have an opportunity to engage with 6th-12th grade students through weekly small group bible studies and monthly events. This is a perfect opportunity to show Christ’s unchanging love to others in a time of life where everything else seems to be changing! Our mission is simply to “love teenagers as they discover and live out their role in God’s story”.

Team Leader: Caleb White cwhite@lakeforest.org

Greeters Team

Think of sitting on your front porch greeting your neighbors as they walk by. If that excites you, God has equipped you to be a greeter. Just think, you get to say hello to, and share a smile with, every person who comes to worship. Team members are usually asked to be willing to serve every three to four weeks.

Team Leaders: Sheri McCarthy & Daryl Solomonson

Please contact Sheri at asmac12@aol.com with questions.

College Breakfast

Do you want to connect with college students? Then college breakfast is where you need to be. The breakfast team serves doughnuts, bagels & juice to college students.

Team Leader: Dale Callan, callanfam@mi-connection.com

Prayer Team

The prayer team receives a copy of all the prayer requests submitted each week, and they pray. In addition, the prayer team members are available in the prayer station after each worship service to pray for anyone who expresses a need. They pray for the service, the pastors, and the people of Lake Forest Church – Davidson.

Team Leader: Susan Richards, srichardsrd@gmail.com

Meal Ministry Team

The meals team coordinates meals for our LFC-Davidson family when a need arises. Families take care of one another. Providing a meal for another member of the church family is an easy and Biblical way to serve one another.

Team Leader: Catherine Durstewitz, crizer@gmail.com
