SUPERKIDS: A MINISTRY FOR CHILDREN WITH SPECIAL NEEDS
AT LAKE FOREST CHURCH

Lake Forest Church understands that just as every child looks different on the outside, they have different learning needs on the inside. SuperKids exists to give children with special needs a unique Sunday morning experience designed just for them! Our desire is to come alongside, support and encourage parents as they navigate parenting children with special needs.

SUPERKIDS OFFERINGS

Sensory Room

 Designed with the help of an occupational therapist, EC teachers, and parents of children with exceptionality, this option during the 9:30am service is for children who would benefit from hearing God’s word in uniquely creative environment.

Parents’ Morning Out

Every other month, we offer a fun Saturday morning event where SuperKids (and their siblings) can be dropped off for a time of fun, crafts, a movie and lunch while the parents go out to catch a breather, catch up on life, catch up with each other.

Fall Offerings (both from 10am-1pm with lunch included)
